

# ONLINE VEHICLE ROSTER

Under the **Member Pages** header, you will find our new “**Vehicle Roster**” tool. Volunteers have worked hard to create a comprehensive database of all PAS information, past and present, to power our new website. This integrated powerhouse gives you instant access to information not available in the past.

Query for information about your car, other cars, past cars...who owns it now, who owned it before, what awards it has won.

**Need help with your Pierce-Arrow?** Now you can easily find someone who has the same model.

**Restoring a Pierce-Arrow?** Now you can find other cars with the same body style quickly and easily.

**Buying a Pierce-Arrow?** Find a previous owner or perhaps some unknown history.

**NOW YOU CAN ACCESS IT ALL AT [WWW.PIERCE-ARROW.ORG](http://WWW.PIERCE-ARROW.ORG)**

The screenshot shows the 'VEHICLE LIST' page on the website. The navigation bar at the top includes 'HOME', 'ABOUT US', 'MEMBER BENEFITS', 'MEMBER PAGES' (highlighted with a red circle), and 'LOG OUT'. Below the navigation bar, there are several callouts in red speech bubbles: 'Add the Data in these Columns To Your Results' pointing to the 'Toggle column' section; 'DROP DOWN PRE-SETS' pointing to the 'Model' dropdown menu; and 'ADD A CUSTOM SEARCH ITEM HERE' pointing to the 'Search' input field. The 'Toggle column' section lists 'Body Style', 'Motor#', 'Serial#', 'Last Upd', and 'Awards'. The 'Show' section displays '25 entries' and a '(Clear Search)' link. The 'Search' input field contains 'Club Sedan'. The main table lists vehicle details for four members: Blomquist, Richard; Bury, Harry; Cadman, Wayne; and Garb, Forrest. The table columns are: Member Name, State, Country, Year, Cyl, Model, Status, Body Style, Motor#, and Serial#.

Member Name	State	Country	Year	Cyl	Model	Status	Body Style	Motor#	Serial#
