

# THE GREAT LAKES ARCHER

The Newsletter of the Great Lakes Region of the Pierce-Arrow Society

Pierce-Arrow was at the forefront of the "Streamlined Decade" with their 1933 Silver Arrow. The railroads followed the lead in 1934 with the Burlington Zephyr as picture in the March issue and the Union Pacific M10000 streamline train that you will see in this issue.

## **A View From the Rumbleseat:**

by Bill Morris, Editor

In this issue we present a continuation of photos of the Streamline Decade including the Silver Arrow on the cover. We've also included some views of the GLR members attending the Annual Meet at Buellton, CA

Dave Stevens, GLR Founding Director

We deeply regret that Jane Barclay has resigned as GLR Director and thank her for her service.

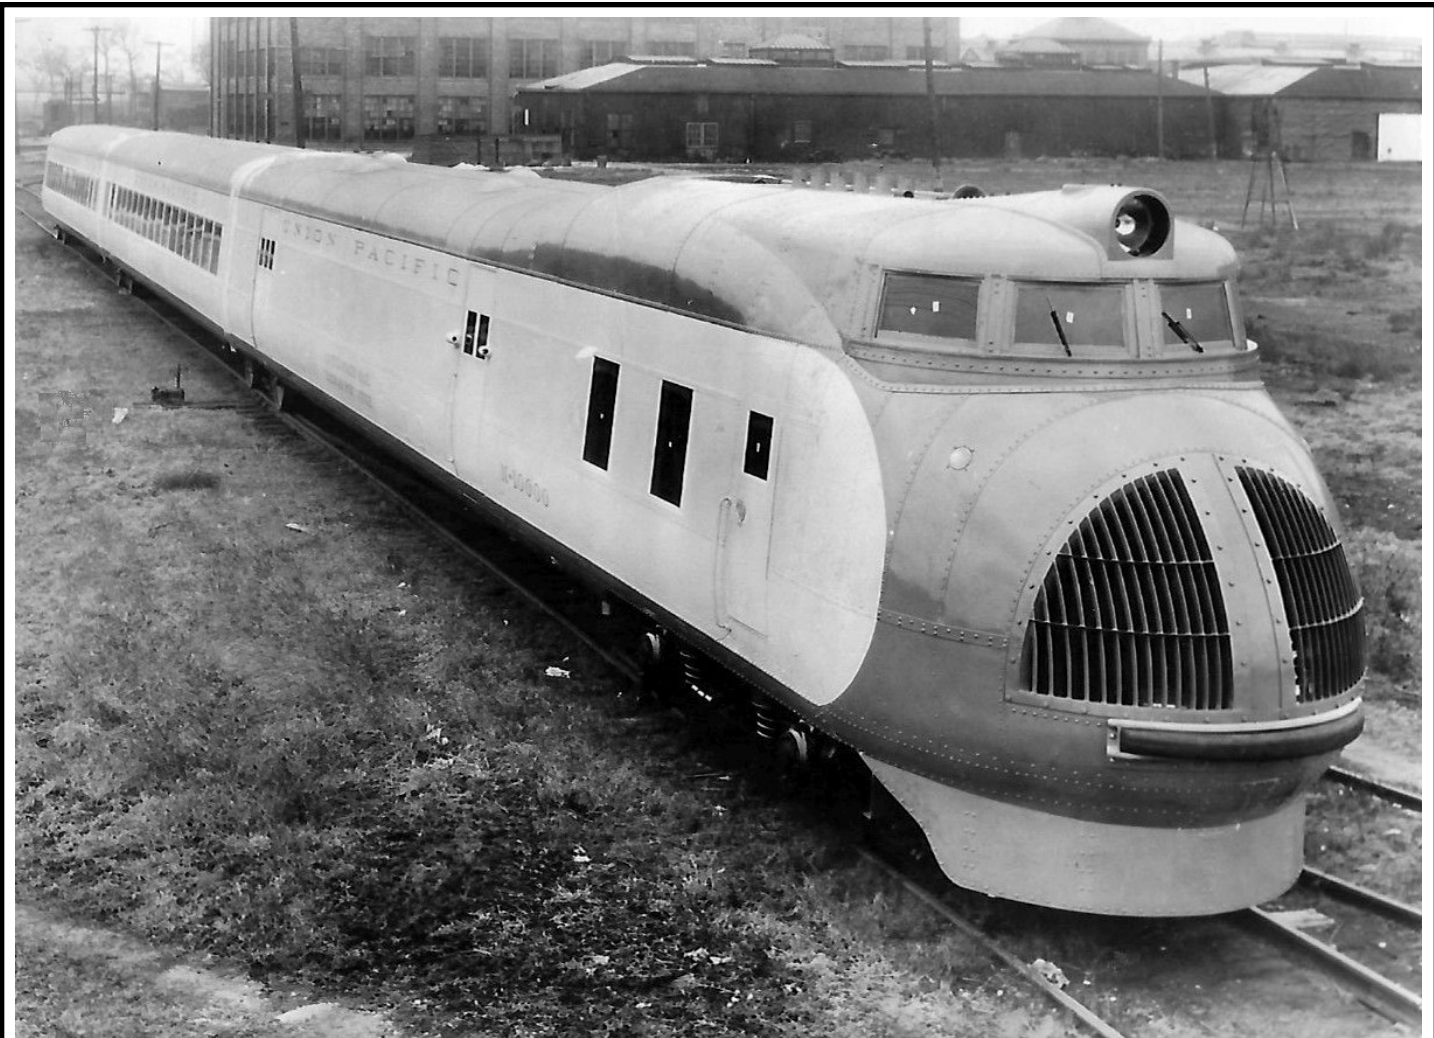

I have asked Stu Blair to fill in as the Interim Director until we hold an election during the PAS Gathering at Gilmore in August. I am grateful to him for accepting the responsibility. I will nominate Stu for election at that time, but if anyone else is interested please let me know and we'll see that you are nominated as well.

Stu Blair and Tom Barrett are planning a Spring Fling Tour in the Cleveland, OH area for 2023.

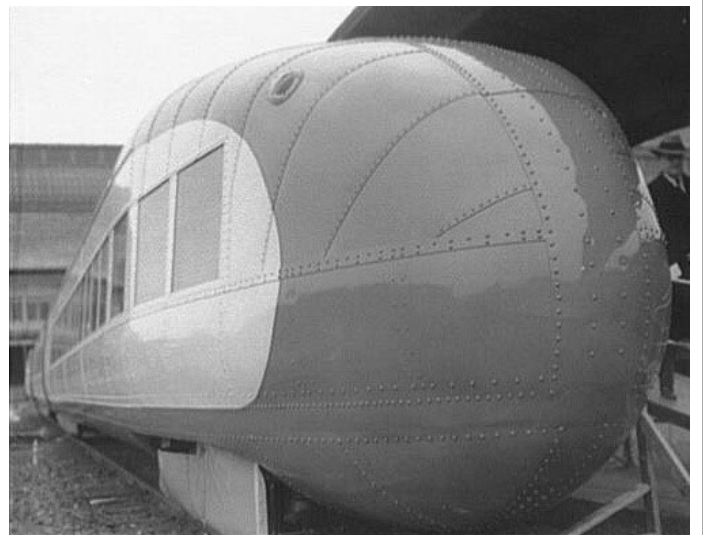

Award Winning 1909 36-UU was the oldest car at the meet.

Here is the 1934 Union Pacific M10000 streamliner that is so new that the windows still have their stickers from the glass manufacturer. Notice the streamlining in the rear views below.

We thought you might like to see our GLR members who attended the Annual Meet in Buellton, CA. Ken Sockrider and Liz Horne were shy and we couldn't get a shot of either, and we apologize if we missed someone else, but here they are!

Dave Stevens sans Diana who was home with their new PUPPY!

Greg Long worked on every Series 80 car in attendance.

Merlin and Jane Smith with Jean and Larry Smothers

Our Glorious Tour Bus!
