A View From the Rumbleseat:

by Bill Morris, Editor

This issue is a little different from our normal Gathering At Gilmore report. Because the Gathering was combined with the Annual Meet we will defer the actual meet report to "The Arrow". We will focus on GLR members who attended the meet and their cars if they brought them. We apologize if we missed any members.

Welcome New Members:

Please welcome Michael Bolitho as GLR's new Regional Director. Most all of you know Michael, his wife Angie and daughter Victoria from many Gilmore Gatherings and National PAS meets; Michael is the caretaker of a '30 Model B (ex. George Quay & Dick Kughn). That Pierce, now at Peter Fawcett's for a punch list of sorting and installation of a high speed gear, when back on the road will be leading GLR's future tours and events.

Best regards to all, Stu Blair

Thank you Stu for the words of welcome.

As Director, I would like to see us get our cars out to events and see how we can attract a broader range of families and different age groups to kindle interest in Pierce-Arrows and other older vehicles and eventually build membership. As relatively new Pierce-Arrow owners, we know there is much to learn about our vehicle and the GLR/PAS membership body has a tremendous amount of knowledge to be shared.

Events:

66th Annual PAS National Meet - Kalamazoo, Michigan, August 20-25, 2024, Greg Long and Ken Sockrider's meet team hosted a well-attended and extremely well organized and executed event for an enjoyable week of tours and venues in beautiful West Michigan. The 20th Anniversary of our recently refreshed Pierce-Arrow Museum at Gilmore was celebrated during this meet along with visits to the Amazing Riddle Estate, Air-Zoo Museum, a Star of Saugatuck boat ride on Lake Michigan, visits to car collections, driving tours and concluding with an Orphan Car Show on Sunday at the Gilmore. We were fortunate to have relatively comfortable weather for the first few days and then the heat and humidity hit, but far better than rain.

Spring Fling 2025 - Indianapolis, Indiana, late April or early May - visits to the Indy 500 Museum and track, Stutz Museum and other interesting Indy sites are planned - details to follow.

Comments and recommendations are always welcome - please contact me at mabolitho@sympatico.ca or (343) 576-8742 (mobile) or 613-745-2325 (home) evenings before 9:00 PM ET.
